

POT O'GOLD BEAN-TO-CUP BREWER

Enjoy a delicious cup of coffee at the touch of a button. Employees and guests marvel at the beans being delivered from the whole bean hoppers to the grinder.

Hear the *whirr* of the grinding beans

Smell the aroma of the freshly prepared Artisan coffees

Enjoy the freshly ground taste of one or more of Seattle's premier micro roasters... all within 45 seconds

Help your team stay productive and on task. No more leaving the office to get a great cup of coffee. Transform your break room into a gourmet coffee shop.
